VI- Reading Comprehension (20M)

نموذج الاجابة

Read the following passage, then answer the questions below:

"Mom, I'm bored," said Jason. "There is nothing to do." You can clean your room," said Mom. "That's not fun." It was only the second week of the vacation. Jason was tired of watching TV. His friends were away on vacation, and his dog, Riley, was being lazy.

Mom was getting ready to go downtown to the food kitchen to help. She volunteered three times a week serving lunch to people that weren't as lucky as Jason. "Why don't you come with me to the food kitchen and help?" Mom asked. "You just watch me, and then you will see how to serve the food," she said.

It was time to go, He watched his Mom put some turkey and some mashed potatoes on a plate. She then passed the plate to the next lady who put some green beans and bread on the plate. I can do that, thought Jason. One of the volunteers left early, so Jason took over her spot in the serving line. He was in charge of putting salad on the plates. He served twenty-five people that day. After the kitchen closed, Jason and his Mom stayed to clean up. "That was great!" Jason told his Dad about how much fun he had. "Not only did it give me something to do ,but I felt so good doing it, and made some new friends" Jason told his Dad.
